Supporting Documentation & Pended Reviews

Required Documentation

- ✓ Include patient History (*Signs & Symptoms*)
- ✓ Provide previous Imaging testing that has been done
- ✓ Send the physical exam leading up to the need for the request
- ✓ If the test has been done please send a copy of the results

Pended Reviews

Failure to provide the required supporting documentation may result in the review getting pended for additional information.

- Please make sure to review the pend completely. There may be more than one item that is being requested from the reviewer, failure to respond to the entire request will result in additional pend. This delays the review and delays the recipient getting service.
- Once a review is pended for additional information, upon the receipt of the requested documents the review completion timeframe starts over.

Review Completion & eQSuite® Status

Prior Authorization	Review Completion Timeframes	Referred to Physician Reviewer (2 nd Level)
Initial Admission (Prior Authorization)	Within 1 Business Day Timeframe begins upon the receipt of all required documents	Within 3 Business Days
Retrospective (Applies to retroactive Medicaid Eligibility)	Within 20 Business Days Submit Within 1 year of the retroactive eligibility	Within 20 Business Days

Review Status Determinations

- PEND: Additional information is being requested
- 1st Level Review: The review is currently being reviewed
- 2nd Level Review: If medical necessity cannot be made at 1st level review gets referred to a physician reviewer
- Cancel: Duplicative Service or line items not entered correctly, No Medicaid eligibility, Untimely Submission

Reconsideration and Fair Hearing Rights

- Partial and full denials have reconsideration and Fair Hearing Rights. Recipients or their parent/legal guardian need to be made aware of this process. There are time limitations for the requests outlined in the denial letter.

- We cannot add additional CPT codes to an already entered request.
- If you need to add a CPT code to a review you will either need to cancel the original request and re enter or you can enter a brand new request for the additional codes.

Note: If you enter a new request for the additional codes you will need to enter a different start date or you will get a duplicate error.

Reminders

Rendering Facility vs Physician

- If the physician is submitting a request for prior auth a second request does not need to be entered by the hospital or facility

When Authorization is NOT required

- ADI services do not require auth if provided during Hospital Inpatient stays, 23-hour observation, and in the emergency department.
[Outpatient Hospital Service Coverage Policy Bullet 7.2](#)

Prior Authorization Number

- The PA number will be available 24-48hrs after the approval has been given

Pended Reviews

- If a review gets pended, you should **NOT** be entering a new request with the corrections.

Clinical Questions

- It is important to answer the clinical questions, these drive the review and can reduce the amount of “pends” you receive

Denials

- If a review gets denied, you have reconsideration and Fair Hearing rights. You should not be entering the request again
