Providers have two business days to respond to the information request. If the information is not received within two business days, the review will be denied for insufficient information.

If you submitted a request for prior authorization of behavior analysis services in May or June 2018 and received a request from eQHealth for additional information and have not responded, please supply this information by **July 20, 2018**. If you do not respond by that date, eQHealth will deny services due to insufficient information.

Effective immediately, if the provider does not respond to a request for additional information within two business days, the service will be denied.
