Review Status

Review Status Determinations

- PEND: Additional information is being requested
- 1st Level Review: The review is currently being reviewed
- 2nd Level Review: If medical necessity cannot be made at 1st level review gets referred to a physician reviewer
- Cancel: Duplicative Service or line items not entered correctly, No Medicaid eligibility, Untimely Submission

Pended Reviews

- Please make sure to review the pend completely. There may be more than one item that is being requested from the reviewer, failure to respond to the entire request will result in additional pend. This delays the review and delays the recipient getting service.

Reconsideration and Fair Hearing Rights

- Partial and full denials have reconsideration and Fair Hearing Rights. Recipients or their parent/legal guardian need to be made aware of this process. There are time limitations for the requests outlined in the denial letter.

Reminders

Always check eligibility prior to requesting an authorization. If the recipient does **NOT** have Medicaid eligibility your request will be cancelled.

If you obtain authorization for an inpatient request however, a multispecialty service has been requested during that stay, a new request will need to be entered in eQSuite for that service.

Physician services should be entered with the Medicaid ID# for the physician not the Facility.

•(Group Medicaid ID#s should not be used)

There is a 180 day cap on the authorization date span

If you have more than one Multispecialty request you must enter a separate request on eQSuite for each service.
